Make Plans for PHF

As you sit down with the family and make your plans for 2017, we encourage you to set aside August 11-12 for the Providential History Festival.

This year, we will be celebrating 500 years since Martin Luther nailed his 95 Theses on the door of a chapel in Wittenberg, Germany. We plan to celebrate the wonderful event of the Reformation with some fun activities, creative competitions, and festive costumes. Stay tuned!

To showcase God's providence in preserving and purifying the Church, Marshall Foster will be our guest speaker. Don't miss this opportunity for the whole family to grow in knowledge and faith.
