

Comprehensive Multisensory / Structured Literacy Workshop

July 27-31, 2020 / 8:30 AM - 3:30 PM

Register early as class sized is limited.

Registrations are due July 10, 2020.

This 5-day training based on the Orton-Gillingham methodology is designed for teachers, tutors, and parents wanting to learn to help dyslexic students and all students who struggle with reading, writing, and spelling. This methodology is appropriate for one-on-one tutoring as well as small and whole group instruction.

What is structured literacy? 20% of the population is dyslexic?

Dyslexia law? Do you have questions? Then this is the class for you.

We will review the “Nebraska State Department of Education’s Technical Assistance Document for Dyslexia” to build an understanding of dyslexia and to dispel myths. You will learn to screen, progress monitor, assess and teach using proven techniques based on the Orton-Gillingham multisensory instructional method.

The course demonstrates how to build phonological awareness, phonetic decoding and encoding skills, fluency, vocabulary and comprehension in reading.

Practicum - Canceled.

2 hours Graduate Credit available from Dominican University of California for \$280.00. You may register for up to 6 hours. Dominican University registration is due June 30.
