

Family Retreat

Family Retreat offers a safe and accepting, Christ-centered environment for individuals affected by disability and their families, making it a little slice of heaven for everyone!

We know that families struggling with disability desperately need a place where they can breathe in God's renewing presence and re-charge from the stress and pressures of this world. Join us as we host our first *Family Retreat* in Nebraska!

August 9th – 13th

Volunteers arrive one day before
